### AREAS OF PRACTICE

---

Ingrid Skaanes Sørensen has a wide experience of many years within real estate law and planning law and also within pension law.

Skaanes Sørensen assists several of the country's largest property developers, contractors and architects / consultants as well as local authorities, county authorities and private individuals in questions concerning development and management of real estate such as preparation of land plans, development contracts, building and dispensation applications, complaints, registration, sectioning and land consolidation (urban), purchase/sale and lease as well as ground lease, transfer, registration etc. She has developed a template for development contracts for the Ministry of Local Government and Regional Development, cf. Appendix 2 to the Ministry's Guide to development contracts. As a member of the board of ROM Eiendom AS through 12 years Skaanes Sørensen has achieved an extensive competence in property management and development in publicly owned property companies.

Skaanes Sørensen has over many years assisted private and public employers, pension funds, organisations and private individuals/employees in all kinds of legal issues related to employment pensions, both collective and individual pension schemes, e.g. in connection with the alteration/closing of pension schemes, disputes about the interpretation of pension schemes, dissolution of pension schemes etc.
